

The Division of Agricultural and Food Chemistry (AGFD)
of the American Chemical Society (ACS)

In conjunction with the 257th ACS National Meeting
March 31-April 4, 2019 in Orlando, FL

Presents the

UNDERGRADUATE STUDENT POSTER COMPETITION

This research and poster competition is designed by AGFD to showcase the research talents of undergraduate students, provide a professional forum for presentation of their research and promote their continuance of education in food & agricultural chemistry.

Participation in the competition is open to all undergraduate students at all certified universities actively participating in research projects/programs in the areas of food and agricultural chemistry.

Those students chosen to participate as Finalists in the symposium will receive travel expenses up to \$750 to attend and present their research during the AGFD poster session at the Spring meeting of the ACS. Three Undergraduate Research Award winners will be determined. The winners will receive a cash award of \$500, \$250, and \$100 for first, second and third place, respectively.

Applications are being accepted from qualified undergraduate students. To apply, please submit the following items:
